

This Christmas, give someone the gift of LOVE

Christmas shopping got you down?

- What do you get for the office gift exchange?
- Or the person that already has everything?
- Then there's that picky brother.
- And where's the time to shop?

This Christmas, give the gift of LOVE. With a donation to Love INC we will send a loved one a special card saying that you gave to one of Love INC's ministries in their honor. Purchase gifts in increments of \$10, \$25 or \$50. Each recipient will receive a card with a picture and information describing how someone was helped in their name (see below).

\$10 provides a backpack for a child in need.

A \$10 donation has been made to Love INC of the Black Hills' Clothe-A-Kid program. This money will go to purchase backpacks for children in need at the start of the school year. This year over 1,000 Black Hills children were helped through **Clothe-A-Kid**.

\$25 helps a family get back on their feet!

This money will help a family in the Life INC program by purchasing groceries and gas vouchers that families can earn for participation. **Life INC** provides training in the areas of finances, parenting, nutrition, job skills and more. Additionally, families receive mentoring, a meal, & childcare.

\$50 helps a child in crisis.

This money will buy a backpack full of clothing, toiletries, a blanket and activities for a child that arrives at Black Hills area crisis shelters. This year around 700 children at 8 area shelters will receive this gift of love through **Cases for Kids**.
